

EZ Sign Up for 2017 Committees

We know you have passion and expertise, and we want to tap into it as a resource to move the Association forward in 2017.

Share your passion by indicating which committee(s) you want to participate on. You can choose up to three but there is no limit to your involvement!

- Budget & Finance** - for the financially savvy, this committee monitors the financial well-being and budget of the Association.
 - Bylaws & Policy** - for the detail oriented, this committee develops and approves recommendations for governing docs of the Association.
 - Communications** - for the member who can think outside the box on effective and varied means to communicate to members on topics that will show value in their business.
 - Education** - for the education junky, this committee is responsible for the approval and delivery of quality education on current and relevant topics.
 - Events** - for the fun-loving member, this committee organizes parties for networking, charity events and more.
 - Global Business** - for the member with an international interest in realty, who wants to help REALTORS® in their effort to connect with international clients on a local and global level. In addition this committee assists in educating the membership on working with diverse cultures.
 - Legislative** - for the political junky, this committee monitors and provides feedback on local ordinances and candidates that affect the industry. New members of the legislative committee will not be appointed after March 1.
 - Real Estate Technology** - for the techie or wanna-be techie, this committee innovates on bringing new technology to members.
 - Risk Reduction** - for the analytical minded, this committee works on evaluation and updating the RSAR forms library used by members in day-to-day business.
 - Strategic Planning** - for the visionary, this committee sets the future direction of the Association.
 - Young Professional Network** - for the young at heart entrepreneur, this committee organizes functions for networking and learning for the up and coming stars in the real estate industry.
- Yes, I'd be willing to work on a Communications Task Force
