Your business needs video. Here's how you do it.

Video in your business is power. It lets you tell your story with sight, sound and emotion. But making video that does what you want it to do is more than just pressing the red button - it's telling the right story the right way. Shots, audio, lighting and editing. The Video Seminar will teach you each of these steps quickly, effectively and inexpensively. You'll be amazed at your results.

How The Video Seminar Works

You'll need your smartphone (iPhone or Android). Before the course we'll send you a link to the pre course videos that will show you the app you'll need and how to use it. We'll provide everything else.

At the training we'll take you step by step through how to make great video - and then you'll see one made. The Video Seminar is powerful, amazing, and fun.

The Reno Event

This event is open to the public, business owners and real estate professionals.

Day 1 is the Creation Course. Everyone will receive a complimentary tuition to the online editing course (normally \$129).

Day 2 is the Workshop Course. You'll write, shoot and edit your own video. This is an optional day, but we strongly recommend you attend because you'll get hands on help with every aspect of your video.
