Glossary

Active Inventory Units is the number of Active properties available for sale at the end of the month., based on the List Date, Contract Date and Sold Date. This may change over time as properties fall out of contract.

Days to Contract is the Average number of days between when a property is listed and the contract date when an offer is accepted.

Median Sold Price is the mid-point where the price for half of the sales are higher and half are lower. Median is preferred to average as it better accounts for outliers at the high or low end of the price range.

Months Supply of Inventory (MSI), also known as Absorption Rate, is the number of months it would take to sell through the units available for sale at the current monthly sales rate. The National Association of REALTORS® describes a balanced market as between 5 and 7 months supply of inventory (MSI).

New Contracts is the number of properties newly under contract in a given month or time period.

New Listings is the number of properties listed in a given month or time period.

Percent of Ask Price Received is the average of the Sales Price divided by the most recent Ask Price, and expressed as a percentage.

Units Sold is the number of properties which actually Sold within a given month or time period.
