The Reno/Sparks Association of REALTORS® Honors Mary Avalos With Spotlight of Excellence Award

RENO, Nev. – The Reno/Sparks Association of REALTORS® (RSAR) has named REALTOR® and RSAR member, Mary Avalos, as a recipient of the Spotlight of Excellence Award. The Spotlight of Excellence Award is a biannual honor that recognizes RSAR members who provide selfless and extraordinary service to the community, their clients and customers. The award is in its third year.

“The Reno/Sparks Association of REALTORS is thrilled to recognize Mary with this award,” said John Graham, 2017 RSAR President and REALTOR® with Re/Max Premier Properties. “She exemplifies the kind of community engagement and passion that we encourage with all of our members. Her dedication to making northern Nevada a great place to live and work is inspiring.”

Avalos is a REALTOR® for Keller Williams Group One. Her community involvement includes her membership in the American Heart Association’s Circle of Red. She was instrumental in launching the Go Red Por tu Corazon which focuses on women’s heart health in the Hispanic community. She also volunteers for Truckee River clean-up events and she is the local chair of the KW Cares Committee. KW Cares supports the community by volunteering and giving back to other organizations in the Reno/Sparks area.

“Mary helps us plan and produce special events for Go Red Por tu Corazon,” said Allison Edwards, business development director, American Heart Association. “She was enthusiastic from the start and works to make a positive impact in the community because it’s the right thing to do. I know that with her involvement, the Go Red Por tu Corazon effort will continue to grow and change our community for the better.”

Originally from Mexico, Avalos grew up in Oxnard, Calif. And moved to Reno in 1998. She has more than 12 years of real estate experience. Avalos has also served on the board of the National Association of Hispanic Real Estate Professionals. She is particularly proud of helping people realize their homeownership dreams and building relationships that extend beyond the real estate transaction.
